Dear Friends,

The Friends of the Free Clinic is now officially registered as a charity AmazonSmile Foundation will support. In the future rather than shopping on Amazon, choose to shop on AmazonSmile: <http://smile.amazon.com> AmazonSmile will donate 5% of the cost of your purchase to a charity of your choice. Note there are numerous charities listed, however one can simply type "Friends of the Free Clinic" and FOFC will be the recipient of the Amazon's donation.

How does AmazonSmile work?

When first visiting AmazonSmile, customers are prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization

What is the AmazonSmile Foundation?

The AmazonSmile Foundation is a 501(c)(3) private foundation created by Amazon to administer the AmazonSmile program. All donation amounts generated by the AmazonSmile program are remitted to the AmazonSmile Foundation. In turn, the AmazonSmile Foundation donates those amounts to the charitable organizations selected by Amazon's customers. Amazon pays all expenses of the AmazonSmile Foundation; they are not deducted from the donation amounts generated by purchases on AmazonSmile

Please help the Friends of the Free Clinic raise money for the Social Welfare Board, a clinic that has provided safety net services to people in need for 101 years. Your consideration and support is greatly appreciated and needed.

Very truly yours,

Linda Judah
